## Navigation Hack has been updated

**By rac**

Published: 13.12.2009 - 18:18

Brut.all fixed an issue that certain people discovered and this should help the people that had force closes while starting the navigation.

For root users: <http://s.2030.tk/gmapnavroot>

For normal users: <http://s.2030.tk/gmapnav>

If you need the commands how to install the root version see [my previous blog post](#) .
